## The Accessible Car

Built for its ease of use and drivability the WAV 1 is the smallest accessible vehicle on offer from our wide range. Built on a VW caddy and to European Type Approval the WAV 1 is a market leader. The already high specification can also be tailored to meet your own specific needs, including a complete wipe clean rear and seats as well as privacy glass and climate control.

With 5 seats (including driver) and 1 wheelchair space, this vehicle is perfect for small groups and/or families who want to maintain their independence.

## Key features

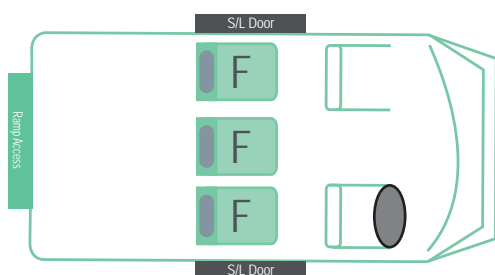

- Fully European Type approved
- Easy drivability and rear parking sensors
- Long range aluminium fuel tank, 46 litres
- Excellent visibility and privacy glass
- Climate control
- Lowered level floor
- Quick, simple and easy loading
- Easy to operate lightweight ramp
- Accommodates virtually any manual or electric wheelchair
- Combined winch and forward restraints
- Full cross and diagonal safety belt for wheelchair passenger
- Automatic winch
- Standard Licence required
