Freedom through transport

The PTS Minibus

The Enterprise Flex-E-Rent PTS fleet offers a full wipe clean interior for infection control in line with NHS guidelines. Designed to meet the ever changing and demanding needs of the health care sector our PTS fleet come with industry standard items such as sharps bins, lockable overhead storage compartments and stretcher capability.

Primarily used within the health care sector these vehicles are well equipped for low level non emergency contracts and are drivable on a standard car licence.
